

### In God's Name

Vicar Shawn will lead in the Sanctuary  
March 1st–15th

We pray in Jesus' name. We serve in God's name. We love in God's name. But we cannot ignore the unfortunate reality that many dark deeds have been done in the same name. As our presiding Bishop Mark Hanson puts it, some of the darkest moments in all of history occur when people kill other people in the name of God. Join us as we look at difficult questions about the things done in the name of faith.

This class is based on the documentary In God's Name which looks at the beliefs of 12 religious leaders including the Pope, the Dalai Lama, and the presiding Bishop of the ELCA.

### Parenting in the Pew: Guiding your Children into the Joy of Worship

March 1-March 29

Mandy Houghton—E-12

As we move into our new Sunday morning schedule, this is an opportunity to learn and discuss with other parents who have successfully done it - how to worship with their children. A book by Robbie Castleman, sharing the same title as this study, provides the background for our conversation. Come and share your struggles with doing this as well as picking up helpful tips from other parents.

### The Shack, the Holy Trinity, and what Lutherans Believe

March 1- April 5

Pastor Jennifer—Fellowship Hall

Based on the best-selling book by William P. Young, we will discuss his depiction of the three persons of God beside what the church has traditionally said and what we as Lutherans believe. During the six weeks of this class we will discuss themes such as suffering, free will, reconciliation, and God's judgment.
