

# Communications Media Ministry

November 1, 2006

## Participants:

Jeanne Van Divender  
Kerstin Kaiser  
Leita Lewis  
Mary Beth Neuhaus  
Michele Parsons  
Paul Holzworth  
Paul Phillips

## Establish Mission

What does this group see as our mission? What can we accomplish and in what timeframe?

## Existing church media/publications

- Website
- Monthly newsletter
- Weekly pewletter
- Bulletin boards (administration hall and Wittenberg Wall)
- Leaflets (Welcome Center, narthex table)
- Emails (glsc-devotions, Cyber Schluppe)
- Library

## Possible considerations:

- What information should be communicated?
- How should information be communicated? (e.g. what format?)
- What information belongs in the publications (e.g. newsletter)
- How long should items remain before being retired?
- Should we address redundancy of information?
- What is the best method for distributed new information?
