

## **Media Ministry April 9, 2008 meeting notes**

### **Pictorial Directory –**

- We are still waiting for the printed cards from PIP. As soon as they are done, we will attach address labels and put in the mail. Our big concern with the delay is that these will now get mailed very close to tax day, which could add another delay in delivery.
- We agreed to go forward with the proposed signup system – first 2 weeks (April 20 – May 3) as only online signup. The last 2 weeks will be 50/50 mix of online and Narthex signups.
- An announcement will be posted in the May Newsletter. Paul P to handle.
- Need to get with the 25<sup>th</sup> Anniversary Team about photos. Jeanne agreed to speak to them.
- Narthex signups will be May 4<sup>th</sup> and 11<sup>th</sup>. We need someone to man the table (between each service and after the 11:15 service). Jeanne volunteered for the May 11<sup>th</sup> one. Still need someone for the May 4<sup>th</sup>.

**Newsletters –** Paul P says the church is exceeding its allotted Xerox copy contract. He said the church is evaluating ways to cut back. One option might be eliminating or reducing the number of paper Newsletters. We discussed this option and agreed to canvass folks as to which might prefer to receive only the online version. Paul H will draft a form for opting out of the paper copy.

**Website Guidelines –** Paul H has drafted some web posting guidelines; however, we did not have time to discuss. We delayed discussion to another meeting.

**Next meeting –** Not decided
